Learn About TikTok

Make Every Second Count

TikTok is the world's leading destination for short-form mobile videos. Our mission is to capture and present the world's creativity, knowledge, and moments that matter, directly from the mobile phone. TikTok enables everyone to be a creator and encourages users to share their passion and creative expression through their videos.

TikTok Topping

New

The new feature enables brand's in-feed ad to be placed in between the two of the TOP 5% most popular videos on the platform.

Noted: example of ad placement when users scroll down their video feed on TikTok

Maximize the impact: put your ads close to the most popular videos on TikTok (ranking by video views)

Better content for better context: make your ads more accepted by placing next to popular and engaging contents.

Third-party Measurement

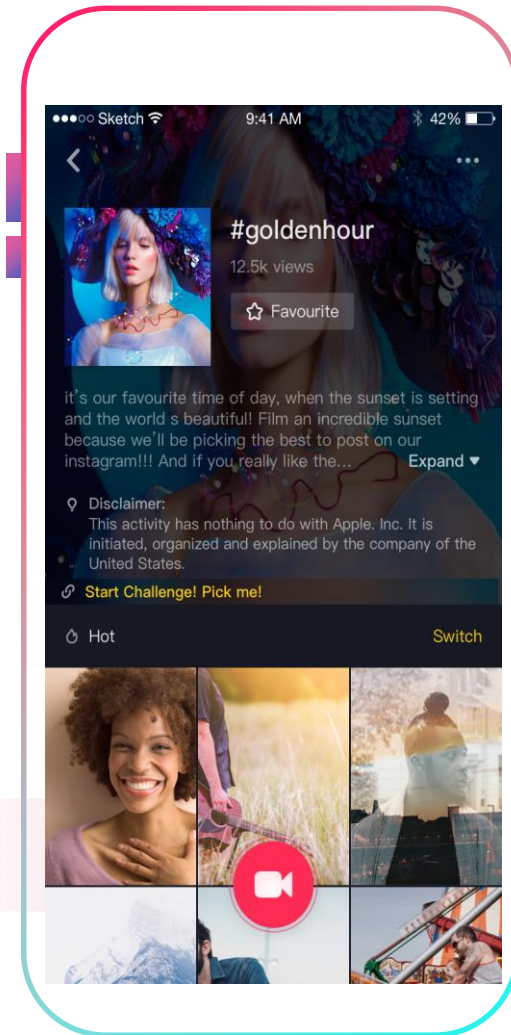

TikTok Content

Effective Engagement

Hashtag Challenge

Brand Effect

Hashtag Challenge

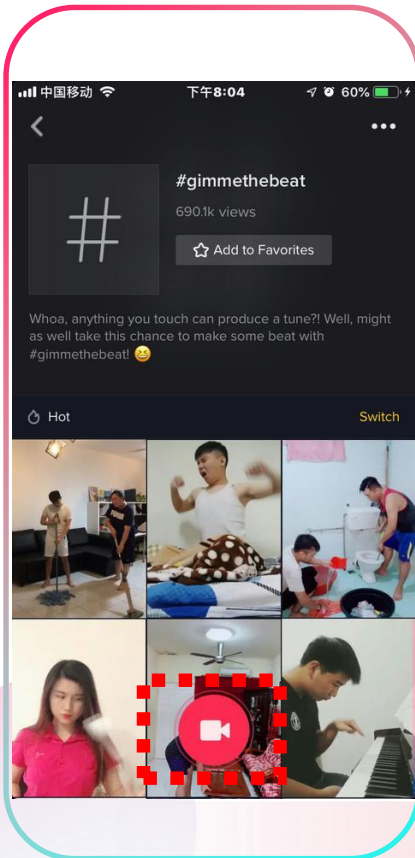

Hashtag Challenge capitalizes on our audience's natural tendency to create and share content. Brands can build affinity by turning users into co-creators.

- Trigger UGC: call for users to create massive quality content
- Mass exposure: Core resources to boost campaign awareness and participation
- Average engagement rate reaches **8.5%** (Like/comment/share)
- Influencer: Quality content generated by influencers will be pinned to the top
